About Workshop17

Workshop17 designs, builds and manages workspaces that provide our members with fully serviced office solutions that are flexible, friction free, comfortable and technologically advanced.

We believe that when we collaborate, our capacity to meet the greatest challenges of our time increases exponentially, that's why we created a coworking eco-system that allows its members to excel in a neutral, hassle-free environment.

A modern coworking space ideally located in the south of Mauritius

Workshop17 Savannah is located only 2 minutes' drive from the main highway of the island, making it easily accessible for our members. Plus, we're just a 10-minute drive from the airport, making it easy to travel for business

Membership Options

ON THE ROAD

I am on the road a lot and not frequently in the office. I need a business address and access to a professional workspace for 1 to 2 days a week on average.

YOUR OWN BOSS

I don't want to work from home anymore or have decided to move out of my traditional office. I want a professional place to work and connect with others.

ADVENTURER

I am an entrepreneur, on my own or with a team. I need regular access to meeting rooms and the ability to work in different locations. When I grow my team, I want to benefit from preferential rates.

ROOTED

I prefer a dedicated seat for myself or my team. My team and I like the combination of sharing space and having the comfort of our own lock-up and go office. It's the place to grow our ideas and business.

PRIVATE OFFICE

My team and I like the combination of sharing space and having the comfort of our own lock-up and go office. It's the place to grow our ideas and business.
